The fee of \$299.00 will be charged for winter storage and must be paid in advance.

Winter Storage includes: secure, climate controlled, indoor storage, fuel stabilizer added and battery connected to your charger.

Bike should have at least 1/2 tank of gas for fuel stabilizer.

Please bring you own battery tender or purchase one from BMW MCGC with a 15% discount.

Multi-point inspection will be done during storage and any additional service scheduled will receive 15% discount on labor. Safety recall verification for BMW'S only.

Winter Storage runs from October 15th to April 1st. If you pick up your motorcycle early no credit will be given.

Any motorcycle not picked up or delivered by the 15th of April will be assessed a \$25.00 per day storage fee until the motorcycle is picked up.
